

Hurricanes Harvey and Irma have affected many people in the Houston area and the State of Florida. Fogelman CARES is raising funds to assist with the recovery for those affected by these devastating storms.

American Red Cross (encouraging donations to Red Cross) –

In the aftermath of Irma, the second serious Hurricane in a matter of weeks, we are asking everyone associated with Fogelman managed communities to join us in supporting the Red Cross efforts by making a donation at <https://www.redcross.org/donate/donation>.

Please encourage your residents, vendors, neighbors, and others to contribute to Red Cross Disaster Relief by promoting this on your website, an email blast, social media, and any other medium.

Thank you for CAREing.

Dear Residents,

By now you have seen the devastation of Hurricane Harvey in the Houston area. Houston needs our help. We are asking residents of Fogelman communities to contribute The American Red Cross Hurricane Harvey Relief effort at <https://www.redcross.org/donate/hurricane-harvey>.

Fogelman will be providing matching funds and Fogelman associates, through our charitable payroll deduction fund, will also be making a donation to the Red Cross.

Please help us help Houston by donating to The Red Cross today.

On behalf of the entire Fogelman organization, thank you for CAREing.
